An awesome day for Best Buddies on Maui

POSTED: June 19, 2009

Thirty-five Best Buddies along with teachers and parents from high schools and middle schools on Maui were invited to attend the new Cirque Polynesia show June 13 at the Hyatt Regency Resort & Spa in Kaanapali.

Everyone in our group was impressed with this excellent show and how all the cast members were kind enough to take time after the show for picture taking with all the students.

We especially want to thank the show's producer, Doug Harris, for making this wonderful opportunity possible to people with intellectual disabilities here on Maui.

A show this good, where everyone in the audience sits up-close, is something that should not be missed by anyone living on or visiting Maui.

Michael McCormick, director

Best Buddies Hawaii
